Troy Gazette-Register

30 Years Ago-1989

Evan S. Williams III has been designated at this year's recipient of the principal's Leadership Award from Troy High School. Principal Paul Ulrich presented the award as part of a national program sponsored by the National Association of Secondary School Principals.

At their reorganization meeting, Homer Lyon was elected president of the Troy Township Board of Supervisors.

The first 800 series at Terrace Lanes nearly came up last Monday night. Jim Ling took dead aim when he started with a 289, stringing together 10 strikes before leaving a 10-pin on a solid pocket hit. He continued is assault in the second game, ending up with a 266. He needed a 245 to reach the 800 barrier but his only big mistake of the night left him with an open 8th frame and finished with a 228. He ended up with a 783 series. Jerry Manley bowled a 758 series the same night.

Brian Carlonas led with 31 as the Troy Trojans went over the century mark in ripping Sayre, 106-56.

June Earle and daughter Nikki and Raymond Garrison were on

their way home from Florida and had stopped at a motel in Virginia. After getting nicely settled, they had a bomb threat which made them evacuate the motel from midnight to 1:30 am. It was probably a false alarm but it would scare anyone to pieces.

Lt. Patricia Wenger and baby spent time with her mother, Betty Murphy and brother Chris at their home in Wetona. Lt. Wenger is a graduate of the US Naval Academy, Annapolis, Class of 1980, which was the first class with girls to graduate from there.

Troy Gazette-Register
60 Years Ago-1959
Nancy Kendall recently was honored at Susquehanna University for having served as Head Majorette with the Marching Band for four years. She also is concert mistress and this year's soloist with the Susquehanna Symphony Orchestra.

Leslie Van Noy of East Troy made a plea in Elmira Jan. 6 for the US government not to reduce further the price of milk. He notes the average for 1958 was lower than it was ten years ago in spite of the fact that many costs have increased sharply in the meantime.

Kevin LaVern Hilfiger of Towanda was the first baby born at the Troy Community Hospital this year. He was born 12:10, Jan. 1, 1959.

The severe cold of the week is making it hard for a good many in Sylvania on account of the damage done to the water supply. The Robert Taylors are especially hard hit.

Services for J Ernest Bohlager, 77, of Farmers' Valley were held at the Vickery Funeral Home. A retired farmer, Mr. Bohlager operated Penn Knolls Orchard with his sons.

The Troy USBC would like to thank everyone who donated baskets to the Troy Youth Scholarship Basket Raffle, everyone who purchased tickets and to congratulate the winners of those baskets. We had an amazing turn out for this fundraiser and we couldn't have raised the funds without all of you.

Congratulations to Skip Ostrander, Wendy Johnson, Jean Northrup, Tony Ostrander, Chrissy Watson, Kent McDonald, Audrey Cole and Carolyn Bryington for winning the baskets.

Bowling tip 7 and 8: Keep your arm straight. On the backswing, keep your arm straight and close to the body. Your hand should come up to shoulder level.

Step of power! The power step is the second-to-last step in your approach and it gives your body a bit more momentum which adds to the leverage of your arm swing, giving you a stronger release of the
