Kloey Miller Perishes In Accident

The community was shocked by a tragedy on December 1 when Kloey Miller, 8, a first grader at Canton Elementary School, died as a result of injuries received in an ATV accident on Thomas Road in Union Township.

State Police report that the deceased and a 15 year old girl were passengers on an Arctic Cat 500, which was operated by an 11-year old girl. The vehicle was traveling south on Thomas Road, which is a single lane, gravel road, and attempted to make a left hand turn into the entryway of a well pad entrance at a high rate of speed. The ATV flipped over sideways, made a full rotation and then tipped over on its left side pinning all three riders.

The driver was transported to Williamsport Regional Medical Center via Western Alliance ambulance. The 16-year old passenger was transported to Geisinger Medical Center via helicopter. Kloey Miller was transported to Guthrie Troy Community Hospital where she was pronounced dead.

Canton Fire Department responded to the accident and the ATV was towed by Matt's Towing. The accident occurred at 7:10 pm on December 1.

Superintendent Eric Briggs, after consulting with his administrative team, has announced that due to the recent tragedy, the half day of school on Friday, Dec. 8, will be cancelled and will be made up on February 5. Evening athletics remain scheduled.

Doug McLinko To Run For Congress

Bradford County Commissioner to challenge Cong. Tom Marino in primary

Bradford County Commissioner Doug McLinko announced today that he is running for Congress to represent the citizens of the 10th Congressional District.

"We need public servants to step forward and help lead our country out of this mess, and the President needs conservatives he can count on to stand with him in the fight to drain the swamp," McLinko said. "Look at my record as county commissioner where we cut taxes, eliminated debt, and reduced the size of government. I am a pro-life, Constitutional conservative who will represent our values in Congress."

Prior to serving as a county commissioner, Doug ran several successful businesses and served as a Wysox Township Supervisor. Wysox Township was one of the lowest taxed municipalities in Pennsylvania when Doug was chairman of the board of supervisors. Under Doug's leadership, Bradford County now has one of the lowest county property taxes in the state, no debt, and is recognized with a AAA bond rating.

Doug said he is running for Congress because Washington has become a swamp of corruption, collusion, and cronyism that is hurting working families and senior citizens.

"Our biggest challenge in rural Pennsylvania is the opioid crisis," McLinko said. "Rather than standing up for his constituents who have been hit hard by this epidemic, Tom Marino made the opioid crisis worse. He solicited campaign contributions from big drug companies and then sponsored a bill that allowed them to flood our communities with opioids."

"I've sat in the living rooms of friends and family who have lost loved ones to this tragic addiction," McLinko said. "I'm a loyal Republican, but after watching

Remembrance", published by the Bradford County Historical Society. Matthew Carl, who researched, edited and designed the book is both the Manager/Curator of the Bradford County Historical Society and the President of LeRoy Heritage Museum. Matthew will be on hand to sign books during the event.

A large selection of homemade Christmas treats and baked goods will be available for sale in the gift shop in addition to a long list of local history book titles, puzzles, CD's and DVD's, t-shirts, Canton throws, and many other excellent Christmas gifts. Several books will be discounted just for this holiday event.

Admission to the event is a donation at the door to support the work of the museum. All proceeds help to support the continued preservation of the museum and research library collection as well as the continued expansion project at the museum's second location.

If you still haven't experienced the charming and professional exhibits that are offered at LeRoy Heritage Museum, don't miss out on this event. The museum features objects that tell the story of southwestern Bradford County including Canton, LeRoy, Granville, Laquin and the surrounding area.

LeRoy Heritage Museum is located at 257 Mill Street, LeRoy. the 60 Minutes report and hearing from families across the district, it is obvious Tom Marino puts the interests of campaign contributors ahead of the health and safety of his constituents. His actions are indefensible. Republicans need to replace Tom Marino before Democrats defeat him in November."

Cold enough at night that the furnaces are busy, but pleasant enough during the daylight hours to make us think we are in mid-fall rather than early December.

The hunters didn't get a "tracking snow," but the local road crews are sure happy not to need to plow the roads!
