ALBA NEWS - Lorelei Colton

Ron was one of the lucky ones to bag a buck in the first stint of rifle season. It was a very big deer with a rather odd looking rack. It had a perfectly shaped 4 point on one side and the other side held one very long, thick antler with two brow tines. He guessed dressed weight to be around 150 pounds, a very long body with not much fat.

We're guessing it's going to be rather tough so I may do some pressure canning. We also heard quite a few success stories from our neighbors. Doe season began Saturday and we heard quite a few shots around for that hunting as well.

There are so many beautiful Christmas lights going up all around. It's a treat for me to have Ron take me for long rides closer to Christmas so I can "oooooh and ahhh" like a kid again.

I attended the Canton Conglomeration musical cantata at the Church of Christ on Friday evening and it was absolutely fantastic as always.

Having sung for years in our Alba church choir, I know the hard work that goes into a presentation such as that. It was nothing short of glorious entertainment hearing such lovely, strong voices, practiced to perfection, with voices coming from 21 area church congregations. Congratulation group - and especially to director Ted Bown - for making the introduction to this

awesome season so spectacular!

This unseasonably warmer weather allowed me to finally get those springtime tulip bulbs in the ground. However, would you believe the shoe store received its first seed catalog?

And, a Christmas cactus I purchased several years ago at a local grocery store has several bright pink blossoms on it for the first time! And, I love it!

As you know, our ladies group at church, Alba Christian Women's Fellowship, spends many hours throughout the year trying to raise a little money - like at our fall bazaar - so we can dole it right back out in forms of outreach and missions.

We have sent many checks out in the last week to help local groups that in turn help others, and in addition to the dozens of "sunshine baskets" to be given out, the church family has also adopted a couple of families that could really use a "hand up" right now.

And, our "Baby Shower for Jesus" baskets are already filling up with baby things that will be given to the Endless Mts. Pregnancy Care Center. I hope you folks know that you can NEVER out-give God. Because, the more you give, the more you get back! It's true! And always remember, "WHAT GOES AROUND, COMES AROUND."
